## From Bro. Mark:

Dear Church Family,

Remember to tithe consistently during these summer months when giving is typically down. We had to replace some air conditioners and get some unusual pest control treatments, in addition to an upcoming steeple repair.

Although the calendar indicates that summer is soon coming to a conclusion, we know the August and September heat will make it feel like an extended summer. Summer vacation for students ends this month. Students head back to school on August 12. But autumn merchandise is in the stores and I received this past week in the mail a catalogue of Halloween decorations!

We are on the schedule for the steeple repair. As soon as the construction company completes their other jobs, they will get to us. The steeple was damaged from Hurricane Beryl.

We start August with a testimony of the Brownsville, Texas mission trip. They will be sharing about the apartment Bible school conducted July 29 -August 2. The group returns August 3. Hear their testimony on August 4. The following Sunday (August 11) is the students' last day of "freedom." Remember our teachers, administrators, and students in prayer as they start a new school year.

God bless you,  
Bro. Mark
