From Bro. Mark

Dear Church Family,

We plan to recognize any graduates from high school, college, etc., on Sunday, June 2. If your graduate attends our church, please submit their name to the church office with their graduation information and future plans.

Thanks to David Tolleson for arranging the sale of all our old church vehicles and for helping us to acquire a new 15-passenger van for the church. When I write, "new," I mean it is new to us. It is a silver, 2016 Ford Transit XLT. It is parked in the bus barn. For those who remember driving our old vans, this Ford van should be a joyous experience! It has modern sensors, back-up and rear-view camera, excellent air conditioner, plenty of head space, individual seating, and two drop down DVD players. The vehicle is clean and very nice, and we want to keep it that way.

We have had a few projects going on. The church parking lot has been re-striped and the blacktop sections have been painted over with a black sealant. We are currently filling small holes with asphalt. At present, the fire alarm system in the worship center seems to be working normal again. The alarm company has been coming out repeatedly. We hope they have finally fixed it. Also, we have on order a new outside air conditioner unit for the upstairs room above the church foyer, where Andy Bradford's Sunday school class meets. It will be installed as soon as it arrives. Summer is coming.

We are expecting Brandon to be home from Latvia on May 18. He will be home for about three weeks and then he may be headed to England for the summer for some religious history studies. Stay tuned. The church office will be closed for Memorial Day on May 27.

God bless you,
Bro. Mark
